

# **RELEASE BOATS**

## Release Boats, LLC Statement of Limited Warranty

Release Boats, LLC ("Release") warrants to you, the first North American retail purchaser of this 2014 or newer model year Release boat as noted below ("you"), that it will repair or replace, at its sole discretion, defects in materials or workmanship that occur and are reported to Release, or its factory authorized dealer, within the applicable limited warranty periods, subject to the terms, conditions and exclusions set forth below. Your acceptance of delivery of the warranted Release boat constitutes your acceptance of the terms of this limited warranty. This limited warranty gives you specific legal rights and you may have other rights which may vary from state to state.

**This limited warranty is the sole and exclusive express warranty from Release regarding your 2014 or newer Release boat and there are no express warranties which extend beyond those outlined in this limited warranty. Under the laws of certain states, there may be no implied warranties from Release, and ALL IMPLIED WARRANTIES (INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE) ARE EXCLUDED AND DISCLAIMED WHERE ALLOWED BY APPLICABLE LAW. ANY IMPLIED WARRANTIES (IF APPLICABLE) ARE LIMITED TO THE MINIMUM PERIOD OF TIME ALLOWED UNDER APPLICABLE LAW. Some states do not allow limitations on how long an implied warranty lasts, so the above limitations may not apply to you.**

### **Coverage under this Limited Warranty:**

**Defects in the Structural Hull:** For the first North American retail purchaser, the limited warranty period for Structural Hull Defects runs for the duration of their period of ownership. The "Hull" shall mean the single fiberglass molded shell and integral structure within that shell, including stringers, floorboards, transom and related structural reinforcements, all of which are below the Hull flange (i.e. gunwale). A "Structural Hull Defect" shall mean a substantial defect in the fiberglass boat's Hull, which causes the boat to be unfit or unsafe for general use as a pleasure craft under normal operating conditions.

**Defects in the following factory installed parts and components:** The limited warranty period runs for a period of at least one (1) year. Some components may have a longer warranty period offered and administered by their respective manufacturer.

1. Boat wiring harness and switches
2. Certain instrumentation: tachometer, speedometer, trim gauge, volt gauge, fuel gauge and water pressure gauge
3. Fuel tanks
4. Deck hardware
5. Boat lights, aerators, bilge pumps, hoses, clamps and fittings
6. Steering head, cylinder and/or cables

Outboard engines, and all their related components (gauges, controls, harnesses, props, etc.) are warranted by their manufacturer, not Release Boats, LLC.

The applicable limited warranty period runs from the date of delivery of the boat to the first North American retail purchaser, provided that the boat is delivered within twenty four (24) months from the date of its manufacture. For a boat delivered more than twenty four (24) months after the date of its manufacture, the limited warranty period will run from the date of its manufacture. All warranties run concurrently.

This limited warranty extends only to the first North American retail purchaser. Proof of the purchase date is required.

### **THIS LIMITED WARRANTY DOES NOT COVER:**

1. A boat purchased from any party other than an authorized Release dealer.
2. A boat, including its components, that has been altered or modified so as to adversely affect its operation, performance or durability, as determined by Release, or a boat that has been salvaged, declared a total loss, or a constructive total loss, for any reason not covered in this limited warranty.
3. Any damage resulting from an accident or impact with another object or any damage caused by an act of nature.
4. Damage, breakage and leakage around windshields, hatches or other designed openings.
5. Gelcoat finishes, including blistering, chalking, discoloration, cracking, crazing, fading or stars; wood finishes (varnish, stains and paints); plastics; plated or painted metal; stainless steel finishes and anti-fouling bottom paint.
6. Damage (including due to rainwater leakage), deterioration, fading, fraying, tearing, wearing or shrinkage of carpet, upholstery (including fabric and vinyl), exterior canvas tops, enclosures weather covers or other soft goods.
7. A boat that has been overpowered, according to the maximum recommended engine horsepower, or overloaded in excess of the maximum limits as stated on the U.S. Coast Guard Capacity Plate.
8. Estimated characteristics such as weight, speed and fuel consumption.
9. A boat that has been misused or used in a negligent manner; used for racing, speed or endurance contests; used for rental; used without normal maintenance; operated contrary to any instruction furnished by Release or operated in violation of any federal, state, local, Coast Guard or other governmental agency laws, rules or regulations.
10. Dealer preparation, cleaning, final adjustments and alignments in preparing the boat for delivery.
11. Damage caused by improper trailering or mismatching of a Release boat to a trailer; failure to properly secure the boat to a trailer or failure to use a lower unit support device when transporting the boat.
12. Engines, outdrives, controls, propellers, batteries, trailers and other equipment, accessories or components that are not manufactured by Release, whether or not they are warranted by other manufacturers. Note: it is the purchaser's responsibility to complete any warranty registration procedure that may be applicable to these components with the component manufacturer.

13. Any failure or defect arising from a previous repair made by a non-authorized service provider, unless preapproved by Release.
14. Structural welds in the T-top or hardtop tubular frames that have been modified or forced to bear excessive weight.
15. Any defect that results in the redesign of a Release boat.

**THE SOLE AND EXCLUSIVE REMEDY UNDER THIS LIMITED WARRANTY AND ANY APPLICABLE IMPLIED WARRANTY IS THE REPAIR OR REPLACEMENT, AT RELEASE'S SOLE OPTION, OF WARRANTED PARTS AND COMPONENTS. RELEASE EXCLUDES AND DISCLAIMS ANY LIABILITY FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES INCLUDING LOSS OF TIME, INCONVENIENCE, INSTALLMENT PAYMENTS, INSURANCE PAYMENTS, MARINA FEES, RETAIL CHARGES, TRAVEL EXPENSES, LOSS OF USE, HAUL OUT, LAUNCH, TOWING AND/OR STORAGE CHARGES, LOSS OF OR DAMAGE TO PERSONAL PROPERTY OR OTHER SIMILAR COSTS AND EXPENSES, OR ANY CLAIM NOT SPECIFICALLY COVERED BY THIS LIMITED WARRANTY. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. Any legal action alleging breach of any applicable warranty coverage must be brought within one (1) year from the date the alleged breach first occurred.**

In order to activate limited warranty coverage on the boat, the first North American retail purchaser must warranty register the boat through an authorized Release dealer, within fifteen (15) days of delivery of the boat. To obtain limited warranty service, you must return the boat, including any alleged defective part, to an authorized Release dealer within the applicable limited warranty period. Release must receive written notice of all limited warranty claims prior to the expiration of this limited warranty and be allowed an opportunity to resolve them. The authorized Release dealer will carry out the warranty procedures (e.g. repairs, claims submissions to Release etc.) on the purchaser's behalf. All limited warranty work must be performed at an authorized Release dealer, at the Release factory or at another repair facility that Release selects. The purchaser is responsible for the expenses associated with transporting the boat to and from the repair facility.

**NOTE:** Release will complete repairs/replacements covered under this limited warranty during the first year of ownership by the first North American retail purchaser, at no charge to the purchaser. After that, the purchaser must pay a service charge of \$50 per claim to the authorized Release dealer for service performed under this limited warranty. (There is no charge for service appointments solely for any rework from previous service appointments.)

This document contains the entire limited warranty provided by Release. Any questions concerning the scope of this limited warranty should be directed to Release. The terms and conditions contained in this limited warranty may not be modified, altered or waived by any action, inaction or representation, whether oral or in writing, except upon the express, written authority of a senior management level employee of Release. Release does not authorize any person or persons (except a senior management level employee of Release), including Release dealers, to change the terms of this limited warranty. (Note that your authorized Release dealer is an independent business, authorized to sell and service Release products, but is not an agent of Release.) Release reserves the right to change or improve the design or manufacture of Release boats without obligation to modify any boat previously manufactured.
